### **Education**

- (1995) B.A. Literature, University of Washington
- (1995) B.A. History, University of Washington

### **Background**

With a background in television journalism (journalist and videographer) I am interested in combining both a media background and a love for the ocean. I am an avid scuba diver (Master Diver) and have done most of my diving in the chilly waters of the Puget Sound in and around Seattle, Washington.

I'm excited to be part of the Oceans and Human Health Center at the University of Miami!
