## General Information for Shipping

Assume shipping to be received on Monday through Friday. Shipments for supplies requiring temperature control (ice or dry ice) should be shipped overnight on Monday through Wednesday only to avoid possible problems with weekend shipments.

Once forms have been initiated for shipment, please send email message with tracking number to contact person (e.g. Gast, Hou, etc..) plus [hmsolo@miami.edu](mailto:hmsolo@miami.edu). Please include copy of chain-of-custody form within box and attach an electronic copy of the chain-of-custody form to the email message containing the tracking information. Sample of the University of Miami chain-of-custody form provided (See *UM\_chain of custody record\_blank.xls*)

### Dry Ice/Liquid Nitrogen

LSU has a source for liquid N<sub>2</sub> and dry ice. The LSU Department of Physics on campus has plenty liquid N<sub>2</sub> accessible 24hrs from Monday through Sunday. But you must bring your own container and payment for the liquid N<sub>2</sub> would be necessary. Laws/Hou only have ONE 3-L container. Regarding dry ice, there is a company in town selling it. Below are more specifics.

(1) Liquid Nitrogen:  
Dept. of Physics, LSU  
Tel. 225-578-1199

(2) Dry Ice:  
Capitol Welders Supply Co., Inc.  
1101 Choctaw, Box 53304  
Baton Rouge, LA 70805  
Tel. 225-383-3717
